BUYING OUR GAMES

We are so excited that you want to start selling our games in your store!

You can place your orders directly with us, or through your sales representative.

When placing your order, there are a few helpful things to keep in mind:

We ship games by the case, which stores **8 full-size games**.

These cases can be mixed to give your store a variety of product to sell.

We ship flamingos in sets of 8 bags at a time, replacing one full-size game in a case.

Playing card deck boxes sit flat on top of games in a case – they don't replace a game.

Full-Size Game	Half-Size Game	Quarter-Size Game
12.5" x 9.5" x 2.25" (Fits 8 per case)	6.25" x 9.5" x 2.25" (2 equals 1 full-size game)	6.25" x 4.75" x 2.25" (2 equals 1 half-size game)
