# Chart 1: Education, Career, & Vehicle

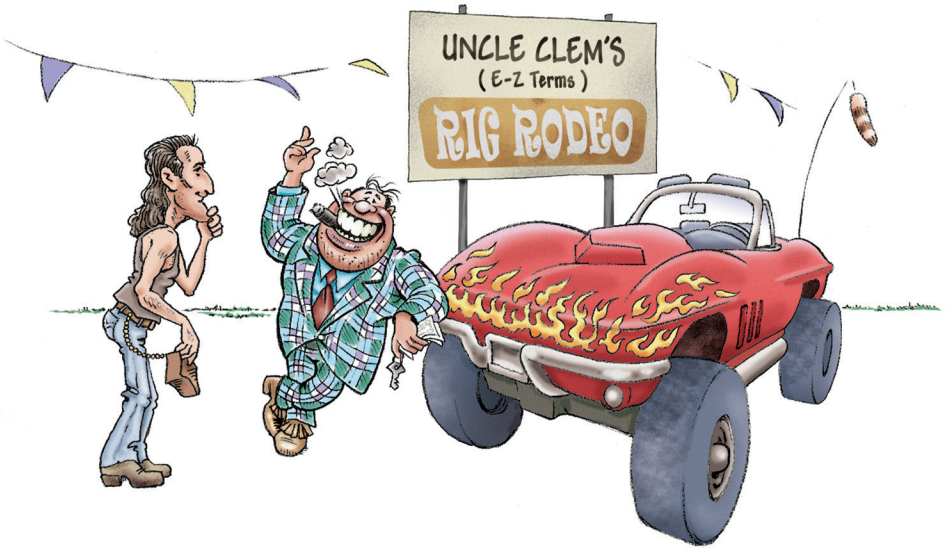
## Congratulations! You are 18! Do 2 steps...

**Step 1:** Get Education & Career. Roll 2 dice, note on score sheet:

| School Grade Completed: (number on dice) | Career: | Payday Amount: |
|---|---|---|
| 2 = 2nd Grade | Honey Bucket Engineer | $200 |
| 3 = 3rd Grade | Fry Cook at the All-You-Can-Eat | $220 |
| 4 = 4th Grade | Flea Market Merchant | $240 |
| 5 = 5th Grade | Ciggy Shack Attendant | $260 |
| 6 = 6th Grade | Beer & Bait Mart Clerk | $280 |
| 7 = 7th Grade | Taxidermist | $300 |
| 8 = 8th Grade | Monster Truck Announcer | $320 |
| 9 = 9th Grade | Gas 'N Grub Manager | $340 |
| 10 = 10th Grade | Ice Hockey Referee | $360 |
| 11 = 11th Grade | Mullet Salon Operator | $380 |
| 12 = 12th Grade | Shop Teacher/Wrestling Coach | $400 |

**Step 2:** Purchase a vehicle from "Uncle Clem's Rig Rodeo".

Choose a Rig from Uncle Clem's Rig Rodeo. Pay listed amount using Uncle Clem's Check 'N Scrams. Remove your Rig from plastic sleeve and keep it in front of you.



# Chart 2: Get Hitched & Housed

## Do all 5 steps...

**Step 1:** New spouse's name. Roll 2 dice. Check Name Chart. Note name on your score sheet.

**Step 2:** Wedding expenses. Roll 1 die:

1 = Hitched by Rev'rend Uncle Pappy at the family reunion. FREE!!!

2 = Elope at "The Church of Elvis". Pay $100.

3 = Get married at the Hitchin' Post, then a trip for all to the DQ! Pay $200.

4 = Wedding at the hospital delivery room. It's a boy. Name him "Cooter". Pay $300.

5 = Justice of the Peace & Hoe Down. Pay $400 **and** roll 1 die to see how many red-headed step kids named "Darryl" you add to your young'ens list. Reduce Payday amount on score sheet.

6 = Big Fat Redneck Wedding with the whole fam-damly. Pay $500. Dang.

**Step 3:** Housing: Take the top Title Deed card. Pay the listed amount and keep the card in front of you.

**Step 4:** Furnish your entire home. Pay $100 to The Goodwill.

**Step 5:** This is your one and only chance to purchase insurance. See score sheet. Check "Yep" or "Nope" for each type of insurance. Pay amount chosen.

# Chart 3: Get Divorced!

## Do all 3 steps...

**Step 1:** Roll 1 die.

If you are a Guy: "It was her fault because...

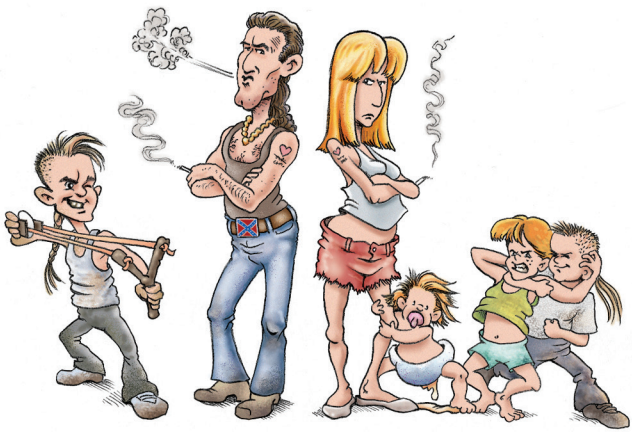
1 = ...we appeared on the Jerry Springer Show and she wasn't acting!"
2 = ...she bad-mouthed my NASCAR driver!"
3 = ...she had an affair with my brother. She said it was an 'honest mistake!'"
4 = ...she don't clean bass."
5 = ...I can't fit all my huntin' dogs and beer in my rig if she comes along."
6 = ...her cookin' stinks and she don't clean up!"

If you are a Gal: "It was his fault because...

1 = ...he drinks all the beer and won't never get off the porch couch."
2 = ...his man-boobs were bigger'n mine!"
3 = ...he had an affair with my momma! He called it an 'honest mistake!'"
4 = ...his idea of a romantic 7-course dinner was a 6-pack and a bag o' pork rinds."
5 = ...he's allergic to the critters."
6 = ...he clashed with my Goodwill furniture."

**Step 2:** Roll 1 die.
Roll 1-4 = You keep your home.
Roll 5-6 = Lose your home to your Ex. Purchase a new home. Pay listed amount. Sorry about your luck!

**Step 3:** Pay divorce lawyer $100 for services, unless you choose to sleep with the lawyer, then receive a $50 discount.



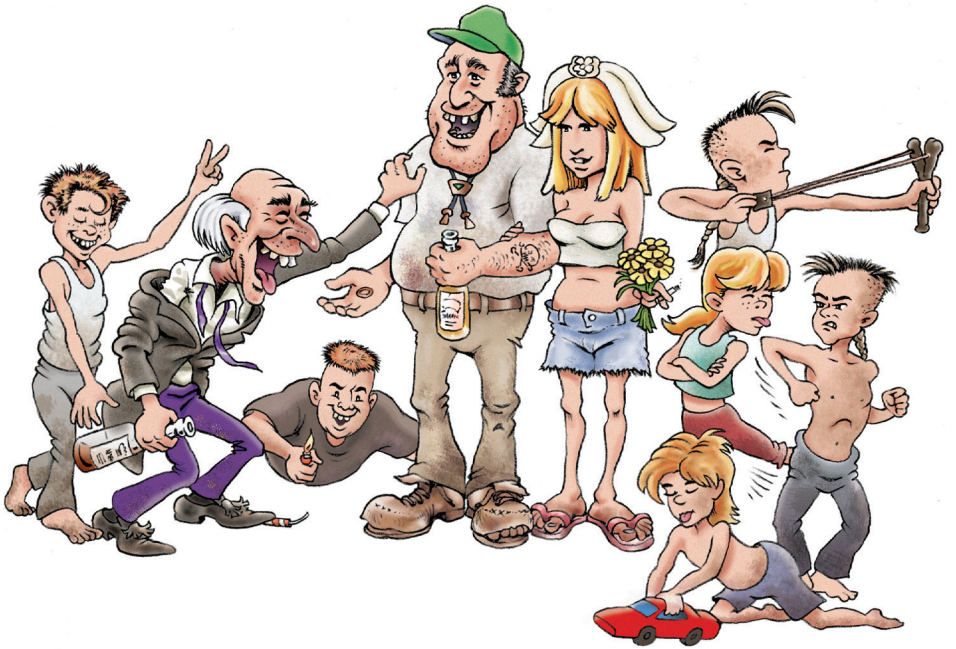
# Chart 4: Get Re-Married!

## Do all 3 steps...

**Step 1:** Roll 2 dice for new spouse's name.
Note on "Second Spouse's Name" line on your score sheet.

**Step 2:** Have tattoo of your ex removed, new spouse's name added. Pay $200 (Free if new spouse has same name as your Ex, $100 discount if a partial match).

**Step 3:** Roll 1 die to see how many red-headed step kids named "Darryl" you acquire. List them on your score sheet.
Reduce your Payday amount accordingly.
Did you exceed your Rigs' capacity of young'ens?
If so, see Uncle Clem about new Rig.



# Chart 5: Day of Reckon'n!

## Do all 6 steps...

**Step 1:** Sell Rig(s) and home for half price.

**Step 2:** Pay $50 to have your furniture hauled off.

**Step 3:** Collect $25 from each of your young'ens to help with expenses (collect from bank).

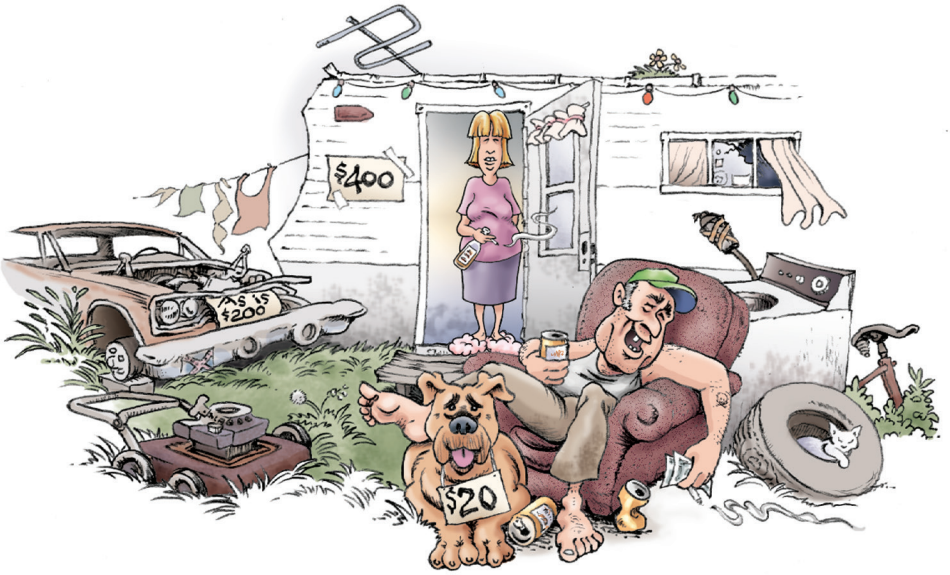
**Step 4:** Pay off as many Check 'N Scrams as you can.

**Step 5:** If you have money, purchase teeth back for $100 each, up to the original 28 teeth.

If you are in debt, cross out a tooth for each Check 'N Scram you still have, down to 0 teeth, as Uncle Clem came collectin'! Check 'N Scrams just count as debt after you have no more teeth to lose!

**Step 6:** On your score sheet under Final Score, note the number of teeth remaining, any Check 'N Scrams ($100 debt) you still have, and the amount of cash you have left-over.

**The winner is the player with the most teeth!**
In case of a tie with teeth, the player with the most left-over cash wins! If none of the players have teeth remaining, then the player with the least amount of debt wins.



# Moonshine Chart

## Roll 1 die:

1 = Sell a gallon of moonshine to your cousin. Collect $100.

2 = Dance on tavern table. Get your picture on the bar's "Wall of Fame"! Collect $20 in tips from each player.

3 = Hitch-hike naked after moonshine party. Pay $50 fine for being offensive.

4 = Over-do the moonshine. Break a tooth on porcelain throne (Lose a tooth).

5 = Reckless at the New Year's Eve Party. Add a young'en. Name him "Jack Daniel". Pay $400 if no health insurance, $200 if insured. Make a New Year's Resolution ("I will not...").

6 = Wreck Rig and get a DUI. Pay $400 ticket. Total your Rig. Pay half price to replace if insured (if you need another Rig). Lose a tooth and spend some time in county jail. Go back 7 spaces and follow the directions on that space. Dang.

# Tobacco Chart

## Roll 1 die:

1 = Sue Tobacco Giant. You didn't know smoking was harmful! Collect $200 settlement after Law Group: Dewey, Screw'em & Howe take their half-million dollar fee.

2 = Win the "Chaw Spit for Distance" contest at the fair. Collect $100!

3 = Romantic interlude: your cousin crushes your smokes. Pay $10 to replace them and add a young'en. Name her "Kindra".

4 = Cut down to 2 packs a day: gain 40 pounds. Pay $100 for diet pills.

5 = Ciggy too close to fireworks you're lightin' off. Lose a tooth and pay $400 if no health insurance, $200 if insured.

6 = Cough up a lung and 2 teeth (lose 2 teeth). Pay $500 if no health insurance, $250 if insured. Blame the Tobacco Company.
